

DONATION FORM FOR THE 2023 INTERNATIONAL HBV MEETING KOBE, JAPAN SEPTEMBER 19 – 23, 2023

Dear Sir/Madam,

On behalf of the [Hepatitis B Foundation](https://www.hepatitisb.org), we are pleased to invite you to contribute a donation in support of the 2023 International HBV Meeting which will be delivered in Kobe, Japan September 19 – 23, 2023.

The Hepatitis B Foundation is a US based nonprofit organization dedicated to finding a cure and improving the quality of life for those affected by hepatitis B worldwide. Our commitment includes funding focused research, promoting disease awareness, supporting immunization and treatment initiatives, and serving as the primary source of information for patients and their families, the medical and scientific community, and the public.

Since 1985, the International HBV Meeting on the Molecular Biology of Hepatitis B Viruses has provided an essential forum for researchers to share their discoveries, questions and insights in a highly interactive environment. The meeting continues to be the definitive international scientific meeting focused exclusively on the hepatitis B (HBV) and hepatitis D (HDV) viruses. The durability of this meeting reflects in large measure to the complex, fascinating, yet elusive hepatitis B virus. For the first time since its inception, the International HBV meeting will be held in Japan.

This meeting promises to feature cutting-edge studies in hepatitis B and D viruses (HBV and HDV), Development of new technologies and analytical methods for understanding HBV and HDV infection. Joint discussion on the latest therapeutic development with patients and clinicians and Opportunities to network with the HBV/HDV community for all career stages, a platform for trainees, graduate students and post-docs to showcase their studies.

The 2023 International HBV Meeting will deliver a stimulating experience with an up-to-date scientific program on HBV and HDV. The meeting will unite over 500 delegates, including researchers, clinicians, government agents, and the related sectors from across the globe, accelerating the research for curing hepatitis B and D.

Hepatitis B Foundation invites you to support this important scientific meeting through a donation.
